Mountain Arts Dance Ensemble

An inspiring student dance company for dedicated and creative dancers!

M.A.D.E is MCDA's resident student dance ensemble. MCDA is dedicated to providing a professional atmosphere for our performance company that puts your dancer's artistic expression first. Our company members learn about the art of collegiate and professional concert dance, health, friendship, creativity, team work, and life skills that they will carry with them long after the applause subsides.

As a MADE company member dancers will have the opportunity to:

*Take part in a weekly class designed especially for the company. Dancers will train and learn choreography in different styles from MADE company directors, as well as guest choreographers.

*Perform several times throughout the season for special community events.

*Attend exciting field trips to professional dance performances.

*Host special in house MCDA events (including themed dance parties and master classes)
