Season Theme: Spectacular Places

Wonders of the World created by Nature and Humans: Northern Lights, Grand Canyon, Great Coral Reef, Times Square, Eiffel Tower, Great Wall of China, etc

We'll be exploring more the feeling, sensations and imagery of the places themselves, rather than the cultural dance history. ie How might one feel, move, inhabit a bustling city or a serene forest

Absences

Illness and required school activities are excused absences for rehearsals and class. Please be considerate when signing up for extra school activities such as talent shows, school plays, sports, etc as those will not be considered excused absences and frequent absences have a negative effect on the company's ability to perform and rehearse at their best. Parents: Please inform us ASAP if dancers will need to miss class or rehearsal. **Performances are required.**
